

Product Change Notification

TE Connectivity

Product Change Notification: P-20-019353

PCN Date: 17-JUL-20

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:

TAB HOUSING, 2 8MM, 18POS.

Description of Changes

Manufacturing location change. Following Part Numbers will be transferred from Outside Vendor in HUNGARY to <print the name of the future TE Connectivity manufacturing location in Morocco. 2-967629-1 3-967629-1

Reason for Changes:

Dear Customer, we hereby inform you about a transfer of tools and/or processes to further improve our Supply Chain towards our customers as well as improving our Footprint amendment and Quality Level within TE Connectivity. The transfer follows a strict procedure, which fully maintains quality, ability to supply and form-fit-function of the concerned products. The receiving manufacturing location operates under a certified quality management system in accordance with standard automotive requirements and the respective customer specific requirements. Upon request, a PPAP Level 1 / VDA Level 0 will be available, or as otherwise agreed. If you require such a PPAP, please notify the responsible TE Sales Contact within 14 calendar days after receipt of this PCN. For further details please get in touch with your respective Sales or Customer Service Account.
