Product discontinuation

Dear Customer,

Although product lifetime and delivery period at ams AG are longer than at many other suppliers in the electronics industry we are sorry to announce that further production of

“HLS-442 Module” (all versions affected)

“HLS-440P Type A Module” (all versions affected)

“HLS-440P Type B Module” (all versions affected)

“HPS-100 Module” (all versions affected)

(please refer to product list on page 3)

cannot be supported any longer.

Reason for that is that the underlying technology is nearing its end and the supply chain of the processing can no longer be warranted. We therefore ask for your kind cooperation in the phasing out of these products.

To make the phase out as convenient as possible for you we are pleased to offer the following conditions:

- Last possible order placement: May 31, 2016
- Last shipment: Dec.31, 2017

Due to possible yield variances a quantity deviation of +/- 10% has to be accepted by the customer for the last time buy.

Please understand that all last time buy orders will have to be reviewed with **ams AG** first.

Best regards,
