Bourns® Model SM61071EL and SM61072EL Signal Transformers to be Discontinued

Riverside, California – December 8, 2020 – In accordance with our ongoing product lifecycle management procedures, Bourns will transfer the Model SM61071EL and SM61072EL Signal Transformers series to an End of Product Life status on September 1, 2021. A lack of sales volume and diminishing demand necessitates this action. The affected part numbers are listed below.

Obsolete Part Numbers	
SM61071EL	SM61072EL

Regrettably, no replacement part numbers are available at this time. Customers may continue to purchase this product during the End of Product Life transition period between now and September 1, 2021. Orders for discontinued product during this End of Product Life transition period will be considered non-cancellable. Products purchased during this End of Product Life transition period will be considered nonreturnable and will be covered by Bourns' standard warranty.

Please plan for the following deadlines:

Last time buy date: **September 1, 2021**

Last time ship date: **December 1, 2021**

If you have any questions or need additional information, please feel free to contact [Customer Service/Inside Sales](#).
