

Global Change Notification (GCN)

Product Family	BradControl HarshIO Ethernet Digital I/O Modules	10641486
----------------	--	----------

GCN Number

Series	112095	June 06, 2014
--------	--------	---------------

Date Issued

Reason For Change	Obsolescence
-------------------	--------------

Change Description	<p>Molex Incorporated (Industrial Product Group) is announcing today that some BradControl HarshIO Ethernet modules (based on design Generation 1) will be discontinued. These products have been replaced by new a generation of products to improve performance and features to follow the specifications of industrial trade organizations (ODVA and PI). See product Advisory 14-10633 for details</p> <p>Distributors are requested to contact all previous customers who have purchased these parts to advise them of the change and inform them of the opportunity for a Last Time Buy (LTB) as described below. Registered users will also be notified electronically through the regular product mailing lists. Note that orders that have been placed prior to today will also be honored. Final orders for the discontinued products must be received by September 30th, 2014 and may be placed by contacting your local authorized Molex distributor or sales office. All orders will be firm and non-refundable. When ordering LTB products, customers may be quoted or optionally can schedule delivery dates of up to 12 weeks and should plan accordingly. Due to limited component availability, please send in your PO as soon as possible to ensure your order quantity is fulfilled.</p>
