**Reason:** Changes to MOQ and lead time

**Description:** Due to changes in the supply chain beyond the control of T-Global, the lead time and MOQ for the XL25 series has increased significantly. These changes have made sale of these parts through distribution no longer viable and as a result, we are removing them from our offerings in Digi-key. We apologise for any inconvenience this may cause.

Should you require more details or wish to discuss this please do not hesitate to contact us at [sales@tglobaltechnology.com](mailto:sales@tglobaltechnology.com).

**Start date:** Effective immediately (7th January 2020)
