Re: Change Notification for 151-00668

To Our Valued Customer:

To better serve your business, we inform you of the following change.

HellermannTyton part number 151-00668 is no longer available in its current material.

The current material is a PVC that contains Dibutyltin which has been banned in Europe following REACH regulations and by the Food Sanitation Act in Japan. It will be replaced with a grade of PVC that is Dibutyltin free. The change will be a running change.

Our records show that your part number is 1436-1055-ND, last ordered in 2015.

Due to the urgency of this change, we ask that you acknowledge this notification within 10 business days. If we do not receive a response, we assume the change can be executed as planned without further notice. For additional information or assistance please contact your HellermannTyton Customer Service Representative.

We appreciate your support in this change and thank you for your continued business.

Sincerely,

Kelsey Shrader
Quality Project Engineer
