Subject: End of Life of Lumex Part Number SSI-RM3091YD-150

As part of an ongoing effort to offer the most appropriate solutions to user interface technology applications, Lumex is making the decision to discontinue the following part number(s) from our current product offering:

SSI-RM3091YD-150

Unfortunately, last time buy orders will not be accepted and there is not a suggested replacement part.

If you have any questions, feel free to contact your dedicated Lumex representative for more information.

Thank you,

Lumex Product Management Team
