---

**Description of change:**

A revision to 387005598 (LA5000) has been made to replace liquid fittings in the unit. The change does not affect form, fit, or function of the system. However, a new part number is being assigned to the LA5000 model to better track the change. The new part number is 387009381.

All open orders should be changed to reflect the new part number.

---

**Information on possible alternative products:**

387009381 is the replacement part number for 387005598.
