

Announcement

25 April 2022

Specification change: RY series miniature relays

IDEC would like to inform you of a specification change regarding our RY series miniature relays. Details are as follows:

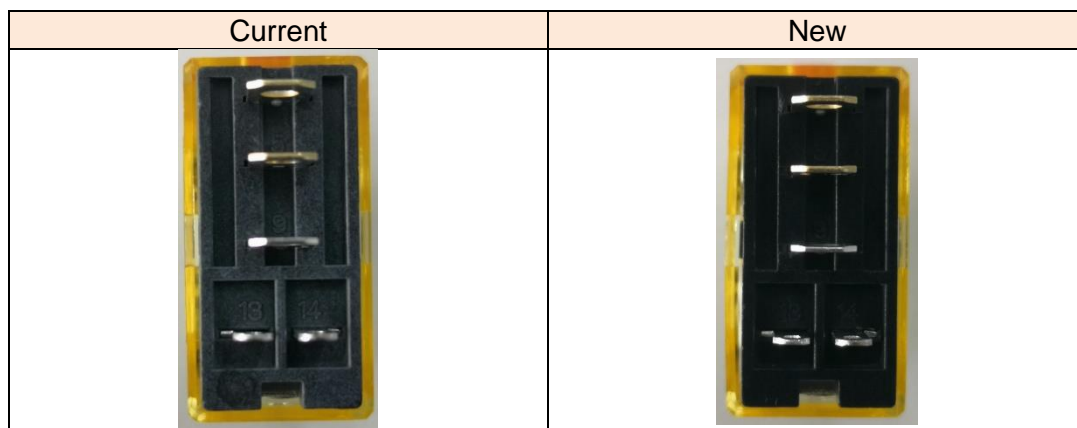

1. Subject models

RY2 miniature relays: All products (incl. special products)
Part number starting with: RY2S / RY2V

2. Modification details

The media used for barrel polishing will be changed. Accordingly, the colour of the relay base will be changed from grey to black. Please note that the material used for the relay base remain unchanged.

Notes:

1. This modification is the same as RH series informed in Announcement No. 21-SM028.
2. There is no other specification change.

3. Schedule

Starting from February 2022 (or sooner depending on our stock situation)

Note: Depending on our stock situation, current and new products may be mixed in the same shipment.

4. Part number and prices

No change

5. Identification

No identification
