Description of Change:

The above mentioned part number (W7SD004GHXA-H60PD-2Q2.A3) utilizing the Samsung D-die Flash component have been designated as End of Life (EOL) by the manufacturer. This component has been replaced by an equivalent Toshiba F-die for best support.

The suggested replacement PN is listed below. The replacement part is intended to be a drop in replacement as form, fit and function is not affected.

Although these changes were thoroughly evaluated in our test lab at qualification we recommend the customer to conduct their own evaluation to insure the replacement will function as required.

Wintec Part Number (EOL)	Recommended Replacement
W7SD004GHXA-H60PD-2Q2.A3	W7SD004GHXA-H60TF-2Q2.A4

Customer Acknowledgment of Receipt:

Wintec Industries requires written notification of the acceptance of these changes. Please use the acknowledgment form below or E-Mail to grant approval or request additional information. If Wintec does not receive acknowledgment within 30 days of this notice it will be assumed that this change is acceptable.
