Engineering Change Notification

To: All Relevant Customers
From: Newhaven Display Marketing, Business Management

This notice is to inform you of a change to the following product:

NHD-12864WX-T1TFH#

The controller IC has changed from NT7534H to **ST7565P**.

Old Controller Datasheet: [Link](#)

New Controller Datasheet: [Link](#)

These controllers are comparable to each other, and existing software being used on the old display should work on the new display without any modification.

As with any compatible controllers made by different manufacturers, there always exists the possibility of slight variations in timings and tolerances. We understand that every customer's application is unique, and therefore we recommend our customers using this display to request new samples for verification.

Please visit www.newhavendisplay.com or email nhtech@newhavendisplay.com for further information or assistance with this change.
