

1st May 2019

Ref: VCP05, VCP15 & VCP24 series, end of life

Please note that all models of the series listed are going obsolete on the 20th December 2020 due to the new UL/ IEC/EN 62368-1 safety standards (replacing UL/IEC/EN 60950-1), that come in to effect on that date.

The series that will be obsolete are listed below, where appropriate the closest alternatives are shown:

XP model number	Possible alternative
VCP05	VCE05
VCP15	VCE20 (anticipated August 2019)
VCP24	VCE40 (anticipated August 2019)

The history for these products shipped from January 2017 to date is attached.

Please contact any of your customers that may be purchasing these products to advise them of this information and to offer a last time buy if applicable.

The deadline to receive customer orders is 31st August 2020, all product must be shipped to customers by 20th December 2020.

The XP product status list on SharePoint has been updated, this is our central reference and should always be referred to for current product status.

If you have any questions, please contact your immediate manager or Andrew Bryars AC-DC Product Manager to discuss.

Best Regards

Martin Wright
