

**NO:** SR-056  
**DATE:** February 2015

**PRODUCT:** G9SP Safety Controller Kits  
**TYPE:** Discontinuation Notice

G9SP Kits will be Discontinued Effective April 1st, 2015;  
Replace with the G9SP Controller and Required Accessories

G9SP Safety Controller

Communications  
Adapters

G9SP Configurator  
Software

Touch Screen Terminal

USB Programming Cable

Effective April 1, 2015 the G9SP Safety Controller kits that existed in a variety of configurations will no longer be available. They can be recreated using piece parts that include the controller and accessories. This allows an increase in inventory levels of the individual pieces to better service customer needs.

See the table on the following page for the piece parts that make up each kit.
