Overview

- Correcting PCN 505659
- Standardizing MLQ and DU values to align with packaging standard and ensure product quality.
- Support of the environment by reducing significant amount of packaging waste customers may face.
- Improve customer service by reducing errors in ordering/delivery
 - Help reduce lead-time
 - Ensure correct labeling is being used

Product Impact

- No change to fit, form or function of the product.

Product Change Notification (PCN)
