Last Date to Order:	9/21/2016	Last Date to Ship:	3/15/2017
Change Type:	Product Withdrawal - End Of Life - Obsolescence		

Product Withdrawal/Discontinuance Notification Details

Description of Withdrawal/Discontinuance:

Texas Instruments Incorporated is announcing the product withdrawal for Advanced Light Control 0.7 XGA LVDS/2xLVDS type-A DMDs due to changing a proprietary material used in the DMD process. A Lifetime Buy will be offered for the TI standard period as per the Last Order Date and Last Date to Ship indicated above. Replacement devices are provided in the Product Affected section below. Please contact your local sales representative for availability.

NOTE: There are no samples offered for withdrawn/obsolete products. For samples of any replacement products, please contact your local sales representative.

Reason for Withdrawal/Discontinuance:

The change is part of TI's proactive chemical use policy and continuation of supply.

Texas Instruments Incorporated (TI), Semiconductor Group continually monitors sales and billings activities as well as the availability of newer product versions of older parts. The business activity level for the products listed below warrant the discontinuance of these products by TI.

Product Affected:

Affected Device	Replacement Device	Replacement Code
S1076N7318	DLP7000BFLP	Q
1076N7328	DLP7000BFLP	S
1076N7328A	No Replacement	No Replacement
1076N7328C	1076N7538C	S
1076N7328E	No Replacement	No Replacement
DLP7000FLP	DLP7000BFLP	S

Replacement Codes:

- F = Similar functionality but not equivalent.
- P = Same functionality but not pin-for-pin equivalent and may not be parametrically equivalent.
- Q = Same functionality and PIN-OUT as the compared device but is NOT an exact equivalent.
- S = EXACT equivalent in functionality and parametrically to the compared device.

For questions regarding this notice, e-mails can be sent to the regional contacts shown below or the local Field Sales Representative.
