

Product Change Notification

TE Connectivity

Product Change Notification: P-20-019278

PCN Date: 09-JUL-20

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:
Manufacturing location addition

Description of Changes
For following PNs, we will add additional manufacturing source in TE Qingdao plant apart from existing manufacturing location in TE India plant in India, Products will be produced dual source in both India and China in the future.

Reason for Changes:
Product improvement. Dear Customer, as a result of our continuous strive for improving our supply chain, we hereby inform you about addition of manufacturing location to improve capacity and Leadtime. The new manufacturing location is added by following a strict procedure, which guarantees quality, ability to supply and form fit function of the concerned products. The new manufacturing location is under a certified quality management system according the standard industry requirements. An internal release based on our specifications will be executed before any parts will be delivered, which guarantees the performance.
