Date: 07/25/2013

Objective:

- CBT-40 Manufacturing discontinuation

Dear Valued Luminus Customer:

Luminus continues to lead the industry in big chip RGB solutions. This is to notify our customers that we are discontinuing the CBT-40 part numbers and product family

A direct substitute is the Luminus PT-39 product family. Please contact Luminus for more information.

CBT-40

The following CBT-40 part numbers are being discontinued immediately. Luminus will work with our customers to offer last time buys for the CBT-40s through the end of August, 2013. After that time, the PT-39 parts will be available as drop in replacements.

CBT-40-R-C21-HD100	CBT-40-G-C21-JD200	CBT-40-B-C21-KE300
CBT-40-R-C21-HD101	CBT-40-G-C21-JD201	CBT-40-B-C21-KE301
