Quantity Per

box

Product Description

The HellermannTyton range of Modular Keystone panels offer exceptional flexibility and performance in an angled or flat format in 2U 48 port, 2U 72 port, 1U 48 port and 1U 24 port configurations. The Modular Keystone panels offer industry standard apertures and are compatible with the HellermannTyton range of keystone jacks. The use of individual keystone jacks offers a balanced system performance and also provides simple installation and maintenance allowing individual jack to be removed if required. Optional rear cable manager is also available and is sold separately.

Short Description

GST Angled Modular Patch Panel 72 Port, 2U, Steel, Black, 1/box

Global Part Name

GSTPP-2U72SC

Technical Description

Manufactured from black powder coated mild steel. The Modular panels are designed to accept HellermannTyton Connectivity's unshielded keystone jacks which are available in CAT6A, CAT6 & CAT5e. They are supplied as standard unloaded. The rear cable management bar is sold separately.
