PCN V20-011701-ECD-0A
Emulex-branded 8GFC, 16GFC Gen5 Product Discontinuance

Dear Customer,

Emulex Connectivity Division (ECD), as part of Broadcom, announces the Product Discontinuance Notice (PDN) for the following products.

Due to decreasing demand and availability of higher performing alternative HBAs, this PDN announces the end of life (EOL) of Emulex-branded 8GFC, LPe12000-series, Gen5 16GFC LPe16000B-series PCIe HBAs and associated optical transceiver kits. These HBAs will not be supported on any new, unreleased server platforms (i.e. AMD Milan, Intel Whitley platforms). Where available replacement HBAs are listed below:
