

Mini Hand

- HC-MH

Mini Hand is a third hand helping tool designed to be extremely versatile, yet affordable. The first time you hold it, you'll feel the quality of the materials. The base is precisely machined from a billet of aluminum, then anodized for a beautiful finish.

- Two 15" Arms - 3D positioning - 20 independent joints
- Quick Release Swivel Clips
- High heat resistant silicone covers
- Suction tape pre-installed
