

Product Change Notification

TE Connectivity

Product Change Notification: E-19-010544

PCN Date: 09-JUL-19

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:

Materials Obsolescence, UOM change and Specification update for RBK-105-KIT Heat Shrink Tubing Products.

Description of Changes

The following part numbers are being superseded (obsolete status). If there are suggested TE Connectivity substitute part numbers or alternate part numbers, they are shown below with any significant difference described. Please verify that all substitute or alternate part numbers provided below are suitable for your specific application. Affected drawings will be managed on a separate PCN.

Reason for Changes:

Discontinuance. Dear Customer, You are receiving this notice because TE Connectivity has record of you purchasing a part or multiple parts on the list below. Within our continued efforts to manage/ optimize our product portfolio throughout the lifecycle, we have made the decision to supersede the parts stated thereafter. Due to an obsolescence of one of the raw materials used in the ATUM driver tubing (as previously notified in PCN P-18-015367) has enforced a modification to the tube material. IMDS records will be updated at the point of change over to the new material. The adhesive liner has not changed. We have also updated the specification for these kits as components used in assemblies for the original specification are no longer available. The new Specification reference is 108-120025. Please Note, In many cases the Unit of Measure has been changed so that now 1pc equals 1 termination. Previously 1pc equals 1 kit of 1000 terminations. Product is limited due to mat'l availability

Estimated Dates:

Last Order Date (Obsolete Parts Only):	First Date To Ship (Changed Parts Only):
05-SEP-2019	
Last Ship Date (Obsolete Parts Only):	Last Date for Mixed Shipments: (Changed Parts Only):
31-DEC-2019	No Mixed Shipments
