Product Change Notification: E-18-018056

PCN Date: 19-NOV-18

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:
Ampseal Header Products

Description of Changes
As part of our continuous improvement efforts to provide extraordinary Customer Service, we are pleased to announce the following: To improve the transit time of products to our mutual end customers, TE Connectivity is changing the distribution location for several products manufactured in Mexico currently stored at our Ontario, California or El Paso, Texas distribution centers. Instead we would like to store in our Hermosillo, Mexico DC ASAP. Customers have the option to pick up in Hermosillo, Mexico or to pick up in Nogales, AZ at our cross-dock. Upon receipt, distributor orders will be tendered to the carrier in line with each distributors Incoterms. The proximity of the Nogales cross dock to our Hermosillo, Mexico site will simplify the flow of products across the border. The longer-term intent will be to distribute from a point in the US due to MFG location change (Reference PCN E-18-008460 for MFG Change) during the latter half of 2019.
