

Remington Industries SJOOW 300V Portable Cord is a heavy duty multi-conductor cable suitable for delivering power to tools, equipment, appliances, and other portable machinery for indoor & outdoor use. The flexible color-coded EPDM-insulated wires and the rugged black CPE outer jacket make for a robust cable that resists oils, solvents, moisture, sunlight (UV), and many other types of weathering. The cable is even suitable for immersion in water if it is properly sealed & terminated. This durable cord is available in five wire sizes from 10 to 18 AWG, as well as with two, three, or four conductors. Remington Industries offers 7 different cable lengths for your convenience.

- Cable Type: UL Style SJOOW Portable Cord
- Conductors (Two, Three, or Four, Individually Insulated):
 - Conductor Material: Bare copper
 - Available Wire Sizes & Stranding:
 - 10 AWG (104/30) -- 16 AWG (26/30)
 - 12 AWG (65/30) -- 18 AWG (16/30)
 - 14 AWG (41/30)
 - Insulation Material: EPDM
 - Insulation Color: See table below

- Cable Outer Jacket: Black CPE
- Cable Overall Diameter: See table below
- Voltage Rating: 300 V
- Current Rating: See table below
- Temperature Rating: 90°C (194°F)
- Spool Sizes Available: 10 ft, 25 ft, 50 ft, 100 ft, 250 ft, 500 ft, 1000 ft

Remington Industries
is proud to offer our
Custom Wire Services

Our exclusive inventory of in-stock wire and ability to procure wire of all kinds makes us the perfect partner for wire purchasing and custom wire services. We are proud to provide essential, high quality wire for engineering projects, educational science projects, coil winding, and electronics applications.

Some of our many wire services include the following:

- Wire Re-Packaging
- Bifilar & Trifilar Windings
- Wire Processing
- Coil Winding
- Wire Procurement Services

If you have any questions or need any information about our **Wire Services**, feel free to contact us! It only takes one call to get experienced assistance.
