## Bourns® Model 5220-RC Hash Choke to be Discontinued

Riverside, California – September 17, 2020 – In accordance with our ongoing product lifecycle management procedures, Bourns will transfer the [Model 5220-RC Hash Choke series](#) to an End of Product Life status on September 17, 2021. A lack of sales volume and diminishing demand necessitates this action. The affected part number is listed below.

Affected Part Number
5220-RC

Regrettably, no replacement products are available at this time. Customers may continue to purchase this product during the End of Product Life transition period between now and September 17, 2021. Orders for this discontinued product during this End of Product Life transition period will be considered non-cancellable. Products purchased during this End of Product Life transition period will be considered non-returnable and will be covered by Bourns' standard warranty.

Please plan for the following deadlines:

Last time buy date: **September 17, 2021**

Last time ship date: **December 17, 2021**

If you have any questions or need additional information, please feel free to contact [Customer Service/Inside Sales](#).
