

Product Change Notice: EXC-14CS Series Footprint Change

PCN.PG24.08.01.2018

08.01.2018

About This Notice:	Panasonic has changed the footprint of the 0302 Common Mode Noise Filter with ESD suppression to match the markets' popular footprint.
Effective Date:	Immediate
Change Details:	The Suffix of the affected part numbers is changing from U to H. The footprint is being reduced from 0.50 mm to 0.40 mm between pads. Panasonic is removing the U suffix parts from our system as part of this change.
Affected Parts:	EXC-14CS900U and EXC-14CS350U
Datasheet(s):	See attached.
