

Product Change Notification

TE Connectivity

Product Change Notification: P-18-015887

PCN Date: 29-MAY-18

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:

Assembly, Socket, AMPSEAL 16

Description of Changes

In an effort to raise our customer service and improve delivery of quality product to the customer requested dates, TE Connectivity will be adding a third machine to assemble sleeves to socket bodies to produce finished socket assemblies. This machine is a duplicate of the existing two machines and is being created to provide additional manufacturing capacity. There will be no changes related to the quality of the product being assembled as there are no modifications to the product design, machine design, or manufacturing process. To verify product performance, an internal release based on TE Connectivity specifications and standards will be executed prior to any parts being delivered.

Reason for Changes:

Product improvement. The addition of a third assembly machine will better allow TE Connectivity to meet current demands and serve future customer needs.

Estimated Dates:

Last Order Date (Obsolete Parts Only):	First Date To Ship (Changed Parts Only):
	14-SEP-2018
Last Ship Date (Obsolete Parts Only):	Last Date for Mixed Shipments: (Changed Parts Only):
	No Mixed Shipments
