

Product Information Letter

Dear Customer,

Transphorm Inc. wishes to advise you that we will discontinue the following product(s) listed primarily due to our package manufacturing sub-contractor phasing out the auto-mold tools used to assemble these devices, and the die attach epoxy going end of life. In order to continue to support our customers in production we will transition some existing devices (*) to our new Gen IV (SuperGaN™) technology which offers both better performance at a lower price. Further, our first products with Gen IV are already running at a high volume package manufacturing partner.

To comply with the assembly house schedule, we will cease building these devices midyear which means that our last build start will happen August 15th, 2020. We are willing to build a 2-year supply to satisfy our customers' requirements. This gives us time to qualify the replacement part(*) and help our customers to switch over and qualify their systems in a timely manner. You are receiving this notification as our records indicate that you have either purchased or submitted technical inquiries regarding the product list below.

| End-of-Life Products with Recommended Replacement Parts | |
|---|------------------|
| Discontinued Part | Replacement Part |
| TPH3202LS | TP65H300G4LSG |
| TPH3206LDGB | TP65H150G4LSG* |
| TPH3206LSB | TP65H150G4LSG* |
| TPH3206LSGB | TP65H150G4LSG* |
| TPH3206LDG-TR | TP65H150G4LSG* |
| TP65H150LSG | TP65H150G4LSG* |
| TPH3208LD | Not available |
| TPH3208LS | Not available |
| TPH3208LSG | Not available |
| TPH3208LDG | Not available |

Our intent is to work with customers to meet all existing obligations. However, we may not be able to guarantee delivery of requested quantities if we do not receive discontinued product orders by the above noted date. Further, we recommend you do not wait until the last moment to advise your Transphorm sales representative of your product needs, particularly if you anticipate requiring volume over and above your normal run rate. At your earliest convenience, please provide your sales representative with your forecasts and discuss order scheduling.

It is Transphorm's policy that orders for products on end-of-life buy status are non-cancelable and non-returnable (NCNR).

As a reminder, important dates related to the discontinued products include:

Final orders accepted until: 08/15/2020

We thank you for your attention to this matter. Should you have any questions, please do not hesitate to contact your Transphorm salesperson.

Regards,
 Philip Zuk
 Vice President, Technical Marketing and NA Sales
