## TE Connectivity

Product Change Notification: E-14-007119

PCN Date: 23-MAY-14

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:  
Economy Power (EP) Connector Header Assembly

Description of Changes  
Remove all additional part numbers from drawing, showing only x-1123723-x part numbers on drawing.

Reason for Changes:  
Document Clarification. Eliminating multiple part numbers and reduce confusion. Part numbers are at an earlier revision than the current production drawing. These part numbers with revision errors will be corrected to match drawing. No change to any part number, simply increasing revision from AC to AD, so the revision matches the production drawing.
