Subject: Obsolescence of SMD PPTC part number 1210L010/90YR

Thank you for using Littelfuse products.

As a result of part number correction, the PTC part number 1210L010/90YR will be obsolete and replaced by 1210L010/90WR.

1210L010/90YR and 1210L010/90WR have same electric performance but with different standard packing quantity in Tape and Reel.

Part Number	Packing	Packing Quantity
1210L010/90YR	Tape & Reel	4,000pcs
1210L010/90WR	Tape & Reel	3,000pcs

**Timeframe**

This change will be effective from July 11, 2022.

Should you have any query about this correction and obsolete, please contact your local Littelfuse sales office or Littelfuse authorized distributor.
