Re: Notice of Obsolescence and Last Time Buy 11305-20

As part of the ongoing product line maintenance process we have identified the above part as no longer viable for us to manufacture

We are offering a last time buy opportunity for the part number 11305-20.

2K pcs Lead time 2 weeks ARO MOQ 2K

If a higher qty is needed the MOQ would be 8K with a lead time of 16 weeks ARO

Updated 110122

2K pcs are currently stocked if the inventory is no longer available MOQ will be 6K

LTB orders must be placed by 30 Nov 2022 for shipment before 31 Dec 2022 for 2K pcs or shipment by 31st March 23 for 8K pcs. All orders will be Non-Cancellable-Non-Returnable (NCNR).

We regret having to obsolete these products. If you have any questions, please send an e-mail to your Customer Service Contact

Sincerely,

Andrew Kempf | Director of Program Management | RF & Specialty Components Business Unit |
