Re: Obsolescence of the iFB DC-DC converter series

Dear Valued Customer / Partner,

TDK-Lambda's iFB series sales have slowed significantly and as a consequence, we are discontinuing the series. This applies to the following two part numbers:

Part Number	Replacement
iFB48050A120V-122-R	Contact factory
iFB48058A096V-122-R	Contact factory

TDK-Lambda recognizes that as a past or current customer of these products, you may require additional units until substitution testing is complete or for service spares. We are offering a last time buy opportunity until April 5th 2021, with a last time ship date of October 4th 2021. Please understand that these orders would be non-cancelable, non-returnable and cannot be counted towards future stock rotations.

Please contact our technical support for additional information at 1-800-526-2324 or email powersolutions@us.tdk-lambda.com.
