RE: Littelfuse Rocker Switch Resin Notification

Dear Valued Customer,

Littelfuse Inc., as the leading provider of total circuit protection solutions, with a global commitment to providing the highest quality products, is writing to notify you that the below finished goods have had a change in manufacturing location for their body resin due to a change in supply chain efforts of a key resin supplier. The composition remains consistent, only naming and manufacturing locations are changing, and as such, no change is expected in fit, form, or function of the finished good.

We apologize for a lack of advance notification, but due to the nature of the change, this change is effective immediately. Please contact your local Littelfuse representative with additional questions.
