

Product Change Notification

PCN-ICC-1777-2018

Business Unit	Product Line Code	Type of Change	Action	Date of Issue
ICC - Industrial Cabinet	BE1	Product Change Notification	Notify Distributors and Field	6/21/2018

The following Phoenix Contact products have been modified. Existing specifications will be met or exceeded. Please review and acknowledge this document and inform your personnel as needed.

Description for Product Change Notification

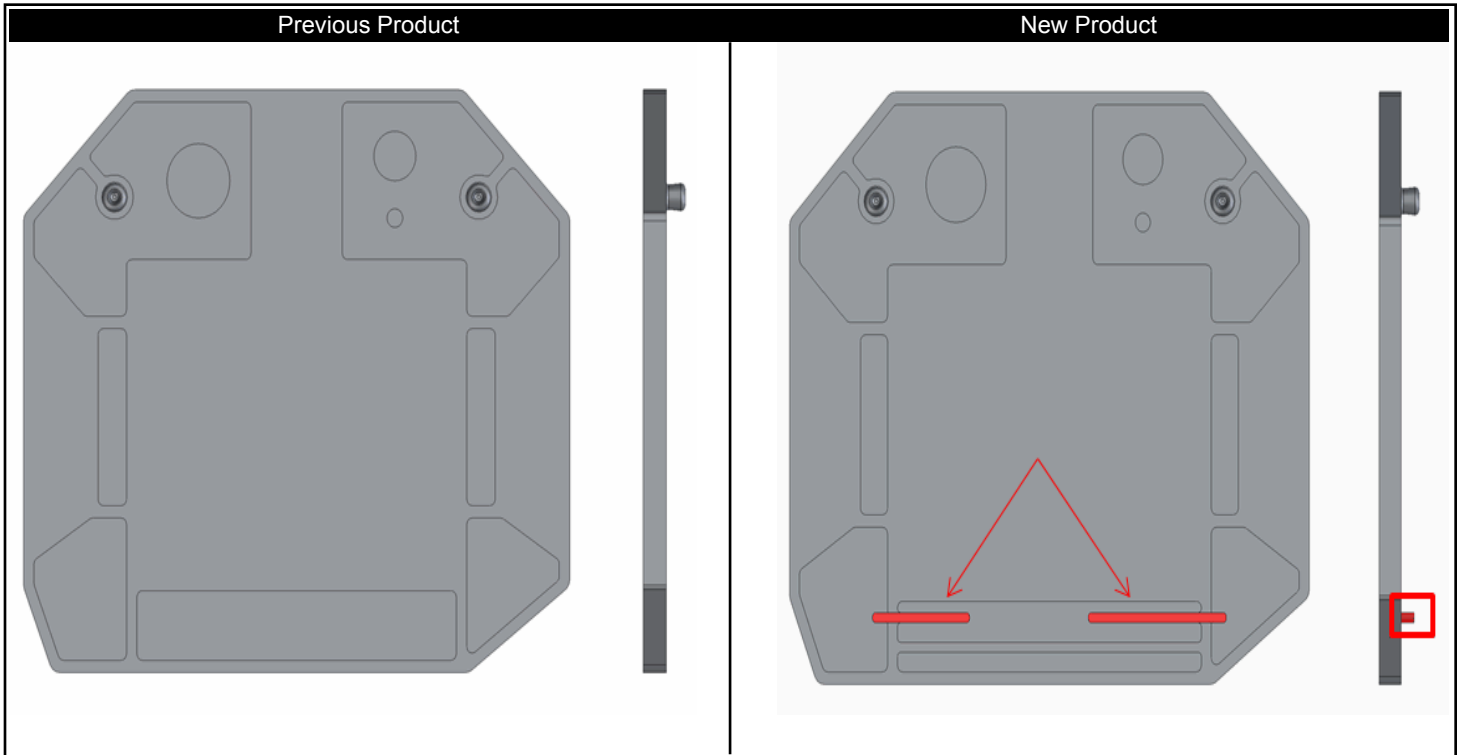

The USST feed through terminal block will be improved by new insulating housing with extended air and creepage distances. Therefore the cover D-USST 4/10 will get this modification.

Stock Status

Can existing stock still be used?
Is mixture of stock acceptable?

Transaction Dates

Date modification goes into effect from Germany: 6/14/2018
Expected first shipment (from Phoenix Contact) of the modified products(s): 1/1/2019
