February 3, 2012

TT electronics Optoelectronics Business Unit (OPTEK Technology) announces the obsolescence of select OPF and OPV products (Attachment 1).

Effective Date of Obsolescence: 02/03/2012

Last Time Buy: Purchase orders for last time buy will be accepted through 04/03/2012 with scheduled deliveries by 06/03/2012.

Recommended Replacements: Suggested standard replacements for obsolete OPV series part numbers are detailed in Attachment 2. The primary difference is conversion from an FC style housing to an ST housing. Customers should refer to the appropriate data sheets for suitability in their application. Although no standard replacements are currently offered for the OPF series devices, custom solutions may be available. Contact the Optoelectronic Business Unit for details.

Factory Backlog: Current factory backlog will not be affected.

Inventory: Under the contract terms of obsolescence, inventory may be returned for credit. Requests for RMA must be received within thirty (30) days of receipt of this notification. RMA request must include purchase order number, date of receipt and acquisition cost. Product must be returned within thirty (30) days of receipt of the RMA. Contact your Optek Technology Customer Service Representative for details.

TT electronics/Optek Technology regrets any inconvenience this obsolescence may cause your customers.

Sincerely,

A handwritten signature in black ink, appearing to be 'J. R. H.', written over a horizontal line.
