## 1 Affected Products

Product in End-of-Life	Successor Product	Remarks
AMY-6M-0-0002	EVA-8M, EVA-M8M/Q, ZOE-M8G/Q/B (different pin-out, different operation voltage)	Please consult u-blox technical support for migration to the latest EVA or ZOE SiP (System in Package) solution.

## 2 Reason for discontinuation

The foundry has announced the discontinuation of the process line for manufacturing the u-blox AMY-6M SiP.

## 3 Recommendation

It is recommended that AMY-6M customers migrate to the latest u-blox 8 / M8 miniature EVA or ZOE SiP (System in Package) products. The u-blox 8 / M8 platforms use the latest advanced GNSS technology and offer an improved performance and versatile product portfolio compared with the legacy AMY-6M. Please consult u-blox's support team for more migration-related information.

## 4 Schedule
