

# 15W Smartphone Wireless Fast Charging Pad, Black

MODEL NUMBER: **U280-Q01FL-BK-2**

15-watt wireless phone charger transfers battery power to your Qi-enabled device without connecting a cable between them.

## Features

### Wireless Cell Phone Charger Delivers Power to Apple and Samsung Phones

Who wants to plug and unplug power cords when you just want to charge your cell phone? The U280-Q01FL-BK-2 makes charging more convenient by doing it wirelessly. Just place your Qi-certified device, such as an iPhone, Pixel or Galaxy smartphone, on the round charging pad. That's all there is to it. This wireless phone charger even works through most protective phone cases up to 5 millimeters. Note: Please remove any magnetic or metal objects from your phone or case before charging.

### Compatible with Qi-Certified Cell Phones to Ensure a Safe, Flawless Charge

The U280-Q01FL-BK-2 works with all Qi smartphones from Apple, Sony, LG, Samsung, Nokia and other popular brands. It protects your expensive device from overheating and overcharging that could lead to internal damage. An LED glows blue to indicate the charging process is underway and flashes blue to indicate any charging error.

### Compact Pad Fits Comfortably on Any Counter, Table or Workspace

The portable lightweight pad is just four inches in diameter, so it takes up hardly any space on your desktop or bedside table. An included USB cable connects the charger to a user-supplied USB wall charger or power adapter (QC 2.0 or 3.0 adapter is recommended for high-speed charging).

## Specifications

OVERVIEW	
UPC Code	037332259639
Product Type	Wireless Charger
Charging Form Factor	Pad/Stand
Device Compatibility	Phone; Tablet

## Highlights

- Charges your smartphone through its protective case to avoid the hassle of removing it
- LED glows blue during charging and flashes blue to indicate a charging error
- Prevents overheating and overcharging to protect your essential device from damage
- Lightweight portable design takes up little space on your desk or bedside table
