PCN/18/024/C+N

Product range: Interface connectors; HCS / PushPull, RJ, ix &
har-port; Industrial Ethernet Kabel und
Kabelkonfektionen

Date: 2018-12-17

Author: Matthias Fritsche

Title: **Minior change of HARTING RJ Industrial® IP20 plug housing -
External**

Details of Product Changes

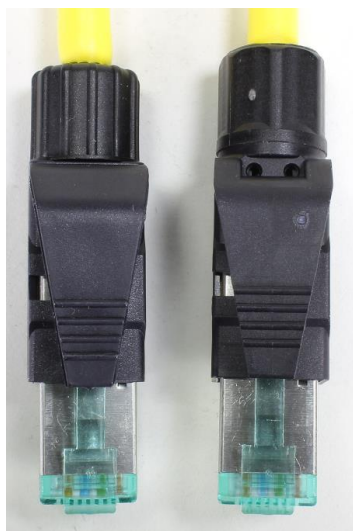

1. Concerned part number (see also attachment):

- **HARTING RJ Industrial® field-assembly RJ45 plug series**
 - 09451511100 - R JI RJ45 Stvb. Cat5, 4p IDC
 - 09451511108 - RJI RJ45 Stvb. Cat5, 4p IDC 100pcs.
 - 09451511109 - RJI RJ45 Stvb. Cat5, 4p IDC AWG26
and all patch cables using this plug (see Excel sheet)
- **HARTING RJ Industrial® Gigalink Cat. 6_A series**
 - 09451511520 - RJI RJ45 GL Stvb. Cat6A, 8p, IP20
 - 09451511520XL - 11I RJ45 GL Stvb. Cat6A, 8p 100pcs.
and all patch cables using this plug (see Excel sheet)

In addition also all brand label versions of this types are concerned from this product update.

2. Description of changes / news:

Because of a tool replacement process we carried out a minor redesign and improved the cable clamp of the plug hood. The new version now has the same cable clamp that we use with HARTING RJ Industrial® 10G series with a cable diameter from 4,5 to 9 mm. This is an additional improvement of this very successful product series.

HARTING Product Change Notification

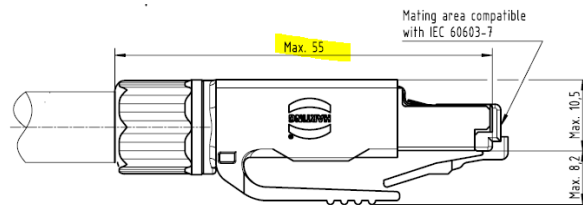

PCN

The pictures above show the old and the new design. The new design can now also be equipped with the colour clips 0945 850 0001 - 0945 850 0010.

The dimensions are mainly identical. Only the total length has increased by about 2,4mm. See the drawings below.

Old design

New design

3. Impact on product specification:

All technical specifications are the same for the old and the new design. This way, the new design can be used for the same applications as the old one.

4. Scheduled date of implementation:

The change will be implemented in the Summer 2019 at the latest. Please be aware that mixed deliveries (old and new design) might be possible for the first months.

5. Identification of change:

The revision level change is changed.

6. Data sheet (optional):

New TB will be published at our e-catalogue in parallel with the implementation of the product modification.
