Change of marking on reel packing of PTC thermistors

The text layout on reel packing material of EPCOS PTC thermistors from Zhuhai plant will be standardized. Instead of current marking "1" for bottom side of cardboard reel and "2" for upper side of cardboard reel, the new marking will be "Z62000A6090C13" for bottom side of cardboard reel while upper side of cardboard reel will have marking "Z62000A6090C14".

There will be no change in function, quality, reliability or processability of the affected products. Number of pieces per roll will remain the same.
