Product:	Metral Receptacle Straight Solder-to-board F-series	Part Numbers Concerned:	See list attached
Product Manager:	Talee Luo	Issue Date:	1st Nov, 2008
		Page(s):	1/2
Distribution:	Active and Contract Customers		

Subject:

Improve service for Metral Receptacle Straight by consolidating F-series solder-to-board into T-series solder-to-board

Nature of Change:

Strengthening our position in the market through continuous improvement of products and services, we will consolidate Receptacle Straight F-series and T-series in our manufacturing location in PRC. In solder-to-board technology, F-series and T-series are "form/fit/function-equal-equal" products. Optimizing manufacturing throughput-time, F-series in solder-to-board technology are consolidated into the T-series solder to board family, subsequently obsoleting the F-series Receptacle Straight STB family.

Implementation Date:

Working with individual customers we intent completion as soon as possible but not later than March 2009.

Last order date: Dec 31, 2008

Last shipment date: Feb 27, 2009.

Affected Part Numbers:

Original F-series number HM1S..F.R.....	Replacement T-series number HM1S..T.R...H6LF
