### Benefit of Change:

Qualification of alternate manufacturing sites is part of the ongoing flexible manufacturing initiative previously announced by Cypress. It provides the flexibility needed to continue meeting our delivery commitments in a dynamic market.

**Affected Part Numbers:** 357

**Affected Parts:** Refer to the attached 'Affected Parts List' file.

**Qualification Status:**

Cypress Philippines has been qualified through a series of tests documented in the Qualification Test Plan (QTP) report 155003. The qualification report can be found as an attachment to this notification.

**Sample Status:**

Qualification samples are not built ahead of time for all part numbers affected by this change. Please review the attached file for a list of affected part numbers with their associated sample ordering part numbers. Sample requests for products without sample order part numbers are not built ahead of time, they will be built to order and subject to standard lead times. Please contact your sales representative as soon as possible, but within 30 days of the date of this PCN, to place any sample orders.

**Approximate Implementation Date:**

Effective 90 days from the date of this notification or upon customer approval, whichever comes first, all shipments of the affected part numbers in the attached file will be supplied from Cypress Philippines or any other approved assembly sites.

**Anticipated Impact:**

Products manufactured with Cypress Philippines are completely compatible with existing product from a functional, parametric, and quality performance perspective.

Cypress recommends that customers take this opportunity to review these changes against current application notes, system design considerations and customer environment conditions to assess impact (if any) to their application.

**Method of Identification:**

There will be no changes to the part number. Cypress maintains traceability of product to wafer level, including wafer fabrication location, through the lot number marked on the package.

**Response Required:**

No response is required.
