End of Life Notification

Dear Customer,

This is to inform you that RF Digital will discontinue production of the products listed in Appendix A attached. Effective immediately, no further new customer design support can be provided on these products.

We will of course continue to fulfill already placed production orders and would like to give you the opportunity to place your last time buy orders until **May 31, 2018**. Last shipment will complete by **November 30, 2018**.

We apologize for any inconvenience this product end of life disposition may cause.

Please place end of life orders and questions for support of the products to this email address: eol_sales@rfdigital.com.

Thank you,
