Product change

Marking on the B3236* series of EPCOS power capacitors

A new capacitor marking layout including barcode will be implemented for the B3236* series of EPCOS power capacitors produced in Zhuhai, China. In order to reduce complexity, this new capacitor marking will replace all the different specific markings presently being used. The label material remains unchanged.

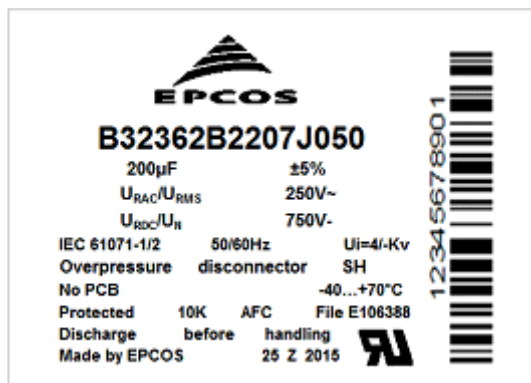

Affected products

Ordering code/ Series	Description
B32361*	PEC MKP AC - M6 terminals
B32362*	PEC MKP AC - M10 terminals
B32364*	PEC MKP AC - M8 terminals

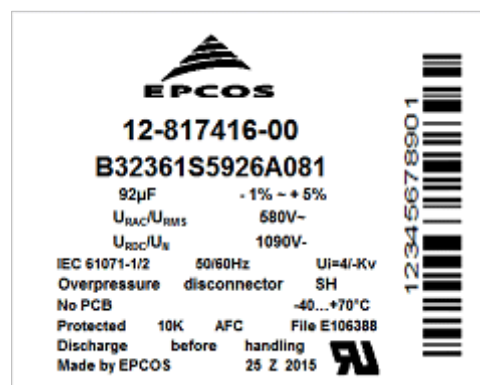

Scheduled date of introduction: July 2, 2015

Example of new markings

Standard marking:

Specific marking
(incl. customer material code):

Enclosure PCN
