General Product Description:

Mfg Location Change - FLHT Product move from Redwood City, CA USA to Swindon, UK

Description of Changes

Dear This is a formal advisory of relocation activities for the following part numbers outlined in this notification. The transfer is executed by following a strict transfer procedure, which guarantees no impact to quality and ability to deliver on time. Our existing TE UK Swindon facility has served as the cornerstone for manufacturing for high performance wire and cable products for more than 30 years and will ensure continued customer service and product excellence. The new manufacturing location is under a certified quality management system according to the ISO 9001, AS-9100 and ISO/TS 16949 quality standards. An internal release based on our specifications will be executed before any parts will be delivered, which guarantees the performance.
