Change for WR Rockers with VDE Approval

The WR Series rockers with VDE approval will not be available after August 2018. However, all other models without VDE approval will continue to be available. This change will apply to both standard and custom products. Discontinued part numbers and alternate products are displayed below and on the following page.

Notes

WR Series rockers with UL and cULus recognition are **not effected** by this change and will **continue to be available**. Contact NKK Switches if more details are needed.

Effective Date

Discontinuation of WR Series Rocker Switches with VDE approval will be effective August 31, 2018.
