

20<sup>th</sup> Aug 2020

**Last Time Buy (LTB) notification for potted DC-DC modules (DSP, DFC & FC100 families)**

Dear End-Customer or Sales Channel Partner,

As part of our product lifecycle management process, Bel Fuse provides notification when a product has reached End-Of-Life (EOL) status. EOL decisions are based on our review of material availability, historical unit shipment volume and product revenue performance. Products designated for End-Of-Life will be available for a last time buy purchase prior to being made obsolete, only if material permits. The products identified for inclusion into our Last Time Buy Program are listed within this document.

**Last Time Buy orders accepted until 30<sup>th</sup> Sept 2020.**  
**Last Time Shipments until 31<sup>st</sup> Dec 2020.**

This closes out the DSP, DFC and FC100 series – no further models will be manufactured.

Last time buy orders will be accepted in accordance with the dates noted, along with the final date on which Bel Fuse will be able to ship product. After the indicated dates, the affected products will be considered obsolete and no additional deliveries will be available, unless stock remains. Acceptance of last time buy orders is subject to product and material availability and at the discretion of Bel Fuse. Every effort will be made to fulfill these orders. Purchase orders for these products will be considered Non-Cancellable, Non-Returnable (NCNR). If you have any questions concerning this End-of-Life notification, please contact your Bel Fuse Customer Service Representative.

We would also like to take this opportunity to thank you for your business in the past and to assure you that everything we do is aimed at becoming your power supply partner of choice in the future.

Yours faithfully

Dara Crowe  
Product Manager

**PARTS Covered by this Last Time Buy**

Part numbers included in PCN DSP Family	Part numbers included in PCN DFC Family	Part numbers included in PCN FC100 Family
DSP1N5D12	DFC10E12S12	FC100V10A-G
