

12/2017

Discontinuation Notice of ROHM Rectifier Diodes

Please be advised that ROHM will discontinue production of rectifier diodes, 1SR154-400 and 1SR154-600.

Last Time Buy: 6/30/2018

Last Shipment Date: 12/31/2018

We have been supplying these rectifier diodes disregarding the loss in profitability, but due to the increasing demand from the market, the amount of loss in profitability has become too much. Please note that ROHM will be increasing production volume to the demand from the market on the recommended alternate products, (RR1LAM4S, RR1LAM6S, RR264MM-400, and RR2648MM-600).

ROHM PN to be Discontinued	ROHM Recommended Alternate
1SR154-400TE25	RR1LAM4STR / RR264MM-400TR
1SR154-400TE25A	RR1LAM4STR / RR264MM-400TR
1SR154-600TE25	RR1LAM6STR / RR268MM-600TR

We appreciate your understanding and cooperation in this regard,

Best regards,

Power Diode Division

Discrete Devices Production HQs.
