1. Description for change :

TXC purpose is to provide the best quality to our customer. Due to Metal CAN Type Quartz Crystal demand decrease and the package material cannot continue to improve on quality. So **TXC issued EOL notice for AT/AS series in Jan 2020**. TXC also provided A2 (8045) package for the alternate (pin to pin) and the other available product types for different frequency range. You can refer below table.

Frequency Range	TXC Available Products Type
7.99MHz~4MHz	A2/AX
8MHz~10MHz	AA/AV/A3/AB
Above 10MHz	AV/A3/AM
Above 16MHz	AV/A3/AY/AM

Existing projects used TXC AS/AT series will have a special support that the last shipment can be in one year after the official EOL.

If you have any question about how to choose replacement products, please contact TXC account manager to discuss more detail.

2. Expected Effective Date :

Customer affected by this EOL notice are advised the schedule to place the orders as follows:

Last date for booking (LTB): 30th June 2020

Last date for shipment (LTS): 30th June 2021
