LF PTN# A0103 Obsolescence Notification for 0AGXxxx.V package type

Dear Valued Customer,

In an ongoing effort to improve efficiency and eliminate redundancies in our product offering, Littelfuse will obsolete the 0AGXxxx.V packaging type of the AGX 8AG fuse. This part series will be replaced by 0362xxx.V packaging type of the AGX 8AG fuse.

The replacement materials contain the exact same fuses as the old materials, and are packed in the same inner pack plastic boxes (5 pc per plastic box). The Master Pack (MOQ) of the replacement materials is 100 pc (20 boxes of 5 pc plastic box), and has a different UPC code than the 0AGXxxx.V materials.

OB Material	OB EAN Number	Replacement Part	Replacement UPC	Description
0AGX002.V	07945800524	0362002.V	07945873041	FUSE AGX 8AG 32V BOX 2A
0AGX003.V	07945800525	0362003.V	07945873047	FUSE AGX 8AG 32V BOX 3A
0AGX020.V	07945800526	0362020.V	07945873071	FUSE AGX 8AG 32V BOX 20A
0AGX025.V	07945800527	0362025.V	07945873072	FUSE AGX 8AG 32V BOX 25A
0AGX030.V	07945800528	0362030.V	07945873073	FUSE AGX 8AG 32V BOX 30A

Littelfuse will continue to accept orders under the old part numbers through September 1 2016. After September 1 2016 Littelfuse will only produce new stock under the **0362xxx.V** part numbers.

Please contact your local Littelfuse representative if you have any additional questions. We will be pleased to answer any questions you may have. Thank you for your continued support.

Best Regards,

Jenny Kiolbasa
