Product Change Notification

PCN-PS-6470-2021

Business Unit	Product Line Code	Type of Change	Action	Date of Issue
PS - Power Supplies	CMD	Product Change Notification	Notify Distributors and Field	2/2/2021

The following Phoenix Contact products have been modified. Existing specifications will be met or exceeded. Please review and acknowledge this document and inform your personnel as needed.

Description for Product Change Notification

A new Chinese directive mandates that products which have IECEx and ATEX approval obtain a local , Chinese Ex approval (CCC Ex) to be imported to China. The QUINT4-PS/24DC/24DC/20/SC/+ - 1046881 achieved CCC Ex approval, and the approval mark is added to the rating plate as a result.

The version code will increment from V/C 01 to V/C 02 to identify the approval adjustment.

Stock Status

Can existing stock still be used?

Is mixture of stock acceptable?

Transaction Dates

Date modification goes into effect from Germany: 8/1/2021

Expected first shipment (from Phoenix Contact) of the modified products(s): 8/1/2021

Should you have any issues with the timeline or content of this product change, please contact Phoenix Contact using the information below. Customers should acknowledge receipt of the PCN within 30 days of delivery of the PCN; provided, however, that the failure to acknowledge receipt does not affect the product change or the effective date thereof.
