Subject: Discontinued 8345 series options

Due to history of low volume demand, E-T-A will be discontinuing specific options on the 8345 series circuit breaker effective September 21, 2018.

Attached please find documents that outline:

- those options that will be discontinued
- five year history of purchased product by Digi-Key of effected part numbers
- listing of all active part numbers on record at E-T-A that carry a discontinued option

Please contact me with any questions.
